

HP LaserJet Enterprise flow MFP M525

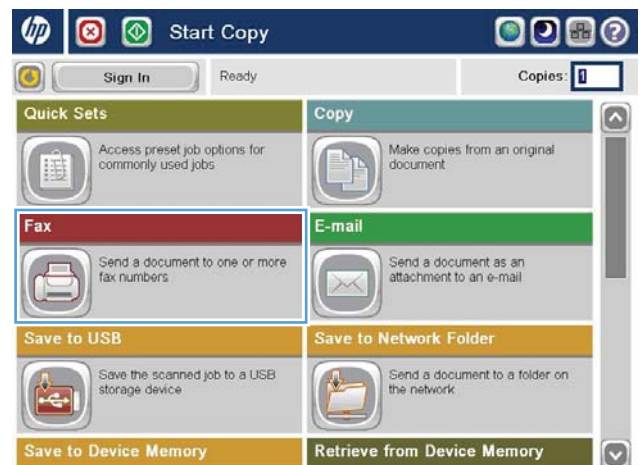

Send a fax by entering numbers manually

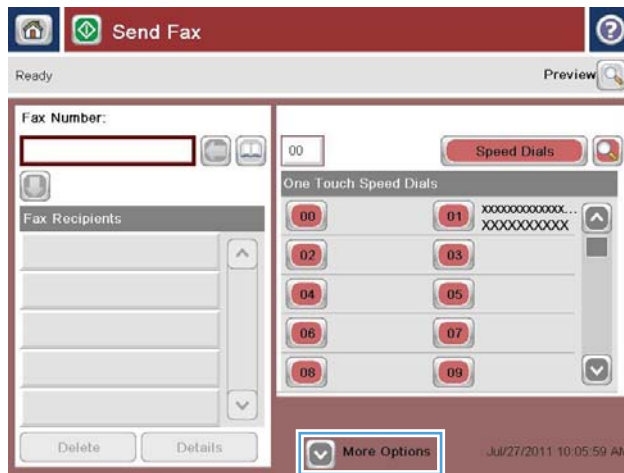

1. Place the document face-down on the scanner glass, or place it face-up in the document feeder and adjust the paper guides to fit the size of the document.

2. From the Home screen on the product control panel, touch the **Fax** button. You might be prompted to type a user name and password.

3. Touch the **More Options** button. Verify that the settings match those of your original. When all settings are completed, touch the up arrow to scroll to the main **Fax** screen.

4. Touch the **Fax Number** field.

5. Enter a phone number and then touch the **OK** button.

NOTE: Use the physical keyboard or the virtual keyboard to enter characters.

6. Touch the Start  button to send the fax.

NOTE: You can preview the image at any time by touching the **Preview** button in the upper-right corner of the screen. For more information about this feature, touch the **Help**  button on the preview screen.
