## Color LaserJet Enterprise Flow MFP M880

## Automatically print on both sides (Windows)

- **NOTE:** Your print driver might look different than what is shown here, but the steps are the same.
  - 1. From the software program, select the **Print** option.
  - 2. Select the product from the list of printers, and then select **Properties** or **Preferences** (the name varies for different software programs).

**3.** Click the **Finishing** tab.
